#### 4 - R.Make Request

The screenshot shows a mobile application interface with a teal background. At the top is a white header bar with a back arrow, a globe icon, the text 'Make Request', and a menu icon. The main content area has the title 'Make a Request' in large white text. Below the title are three input fields: 'Start Location', 'End Location', and 'Fare Amount'. Each input field has a corresponding 'Open on Map' button to its right. At the bottom of the form is a 'Calculate' button, and at the very bottom is a 'Submit' button. Annotations with dotted lines and numbers point to specific elements: '8' points to the back arrow in the header; '12' points to the 'Open on Map' button for the 'End Location' field.
